1	The arrangement of the course and small assignments throughout the semester really helped me learn.
2	Having to hit the ground running, which we kind of did with me, I think was the best way for me to learn in this case.

1 Motif stressed me out to no end. I felt stifled by it. Also, I thought the timing of when we received the final project was terrible. If we received it maybe even a week earlier, I would have felt more prepared and have had more time for rehearsals.
