1	I never really liked modern, but came into this class upon recommendation. I found that it taught me a lot about what my body was capable of doing outside of my ballet comfort zone.
2	I loved this class! All the movement was well executed and taught well! The atmosphere was great!

1	the professor was constantly energetic and excited to be in class. She was definitely happy to be doing her job which was very refreshing to encounter!
2	This class gave me the confidence to believe that I could do modern, and in the end, I enjoyed it a lot. I loved the different techniques that Bridget brought in throughout the semester, and how that helped us adapt our brains to a new technique.
