| <b>Response Rate:</b> | 33.33% (2 of 6)  |
| 1                     | she explained dance moves and other things we did in class.  |
| 2                     | Whenever asked, the instructor would try to relate the movement to other instances in the class so that we could understand the material better. |
